

Reliance Connects With You

EZVideo is the Newest Evolution in Television Entertainment!

EZVideo brings cable television to the 21st century. No more equipment rentals, long installation times or fighting over controlling the family television to watch your favorite shows! Best part is EZVideo is exactly how it sounds—EASY! It is the solution to HD content fees, DVR fees and multiple box setup fees. EZVideo comes jam-packed with all the additional features you would normally pay extra for, at no extra charge. Check out what some of the features are below:

Have you ever had to fight parents or siblings for the remote or have a hard time agreeing on shows to watch? EZVideo doesn't tether you to one room, one TV. It can be accessed from almost any smart device at any time. All you need is a Wi-Fi connection.

Don't worry about having to watch your shows at their scheduled time either. EZVideo comes with Restart TV (for certain network transmissions) and a minimum of 25 DVR hours. With five personal accounts that can be created, each family member can personalize their settings and EZVideo will record shows specific to your interest.

Tidy Up with EZVideo...

- ▶ 1 remote
- ▶ 1 TV input
- ▶ 1 click to all your entertainment

If 25 hours doesn't suit you, there are plenty of upgrade options for the DVR divas— just ask a member of our service team! Don't want to mess with the DVR? Check out Replay TV- lots of content at your fingertips anytime!

You read correctly! There are no additional fees for HD Content or installation. We are so confident in this service we won't even have you sign a contract. If for some reason you aren't happy and want to cancel the service, just give our office a call. But really, who can't get behind pausing and rewinding live TV? With the option to bundle and save even more, this is service is flexible, convenient and easy to use.
